Search Movie by Genre

The screenshot displays the Cineseek website interface. On the left is a dark sidebar with the Cineseek logo and navigation links: Search Database, Analytics & Insights, My Watchlist, and Settings. The main header area features the title 'Explore the Database' and a search section with a 'Search By:' dropdown menu. The 'Genre' option is selected and highlighted with a red box. Below the dropdown is a large search input field, also highlighted with a red box, containing the placeholder text 'Enter genre, character, or actor...'. To the right of the input field is a 'Seek' button with an upward arrow icon. The main content area is titled 'Database Insights & Rankings' and contains three panels: 'Most Prolific Actors' (showing a list of actors and a 'Show Top (N): 10' selector), 'Top Actor-Director Duos' (showing a list of actor-director pairs and a 'Show Top (N): 5' selector), and 'High-Caliber Actors' (showing a list of actors and a 'Generate List' button). The footer includes a user profile 'John D.', a copyright notice '© 2024 Cineseek. All rights reserved.', and links to 'Privacy Policy' and 'Terms of Service'.

Enter a genre category, and CineSeek will find all movies of that category

Search Actor by Played Character

The screenshot displays the Cineseek website interface. On the left is a dark sidebar with navigation links: 'Search Database', 'Analytics & Insights', 'My Watchlist', and 'Settings'. The main header area features the 'Cineseek' logo and a large 'Explore the Database' title. Below the title, there are three search filters: 'Genre', 'Character Name' (highlighted with a red box), and 'Actor Name'. A large search bar with the placeholder text 'Enter genre, character, or actor...' is also highlighted with a red box, accompanied by a 'Seek' button with an upward arrow icon. The main content area is titled 'Database Insights & Rankings' and contains three panels: 'Most Prolific Actors' (with a dropdown set to 10), 'Top Actor-Director Duos' (with a dropdown set to 5), and 'High-Caliber Actors' (with a 'Generate List' button). Each panel lists top results with actor names and counts. The footer includes a user profile 'John D.', copyright information '© 2024 Cineseek. All rights reserved.', and links to 'Privacy Policy' and 'Terms of Service'.

Find which actor/actress played your favorite character

Search Movie by Actor's Name

The screenshot displays the Cineseek website interface. On the left is a dark sidebar with the Cineseek logo and navigation links: Search Database, Analytics & Insights, My Watchlist, and Settings. The main content area has a dark background with the heading "Explore the Database". Below this is a "Search By:" section with three buttons: "Genre", "Character Name", and "Actor Name", with the "Actor Name" button highlighted by a red box. A large search input field below these buttons contains the placeholder text "Enter genre, character, or actor..." and is also highlighted by a red box. To the right of the input field is a "Seek" button with an upward arrow icon. Below the search section is a "Database Insights & Rankings" section with three panels. The first panel, "Most Prolific Actors", shows a list of actors and their movie counts, with a "Show Top (N):" dropdown set to 10. The second panel, "Top Actor-Director Duos", shows a list of actor-director pairs and their collaboration counts, with a "Show Top (N):" dropdown set to 5. The third panel, "High-Caliber Actors", shows a list of actors and a "Generate List" button. The footer contains the copyright notice "© 2024 Cineseek.
